Dear Mr Hayes:

I received a letter from Posey yesterday, saying that he heard The Cubans and Memphis were going to play in Little Rock April 27th. He wrote me because he knew we were supposed to play Birmingham there that day. I was wondering if there had been a mixup, or if you were planning to play us some where else.

I would appreciate hearing from you just what the plans are, as I want to know where I will have to travel.

I wrote you some time ago. Did you get my letter? It was in reference to the same thin, the games we are to play during spring training.

I hope your plans are coming along. I think I will have a pretty good team this year, but I will not have all my men in camp, as some of them are in Puerto Rico, and will not get back by the time we leave. I am planning to have them meet us at the games if possible.

Please let me hear from you right away, one way or the other.

Very Truly Yours
